

## Core Values

- Honesty and Integrity
- Enthusiasm and passion for what we do (have fun)
- Continual self improvement / Pursuit of excellence (ourselves, our solutions, our business)
- Team work (suppliers, employees, customers)
- Delighting our customers (vastly exceed expectations)

## Purpose

- Provide meaningful careers for our employees - create an environment that enables our employees to be the best that they can be at their chosen field of expertise
- Strive to develop new ways to provide value to our customers (enable our customers to succeed)
- Create and grow stakeholder value

## Mission

- To be industry's first choice for Fluid Sealing and Precision Component solutions. To be viewed by our customers as a trusted solutions provider and to be an indispensable partner of our suppliers.
